MEMORANDUM

TO: Mayor Patrick Collins
Members of City Council

FROM: Kylie Soden, Deputy City Clerk

DATE: February 23, 2022

RE: City Liquor License Renewals for 2022-2023

Attached is a listing of those applicants applying for renewal of existing City liquor licenses (i.e.: retail, restaurant, limited retail, resort, bar & grill licenses, microbrewery, satellite distillery, special malt beverage and winery permits), liquor licensee actions that occurred during this past licensing year, the Police Department's compliance report and heat maps indicating locations of all license locations. Public hearing for the applications is scheduled during the February 28, 2022 City Council meeting.

Due to the large volume of paperwork involved in renewing the liquor licenses, the attached listing provides the "basics" from application information in a readable format. If you would like to review an individual application file, please contact me and I will make it available to you.

If you have any questions concerning applicant information or renewal requirements and procedures, please do not hesitate to contact me at your convenience.

RE: Status of City of Cheyenne "parked" retail liquor license
for Poor Richard's

Dear Mr. Rauzi:

Pursuant to Wyoming Statute Title 12, Alcoholic Beverages, and Cheyenne City Code, Chapter 5.12, Alcoholic Liquor and Malt Beverages, state law provides for a two-year total time frame in which a liquor license may be "parked", meaning non-operational and not open to the public. The current license for Poor Richard's was approved by the Governing Body of the City of Cheyenne (City Council) at its March 8, 2021 meeting and the license has been in a "parked" inoperable status since approval of the license was granted. Upon showing a good cause, the governing body may extend the time period in which the business is required to become operational for an additional period not to exceed one year (two-years total).

Renewal applications for the April 1, 2022 – March 31, 2023 term will be issued the end of December with a mid-January 2022 application deadline for submittal. The above referenced request for an extension to park the license for an additional period not to exceed one year must be submitted at the time of renewal with required documentation to be presented to the Governing Body for review.

I am enclosing a copy of Cheyenne City Code Chapter 5.12 which contains the definition of "operational" and restrictions on "parked" licenses. Once the license becomes operational, it does not qualify to return to a "parked" status in the future unless the license is transferred in either ownership or location, which is contingent upon approval by the governing body. Wyoming Statutes §§12-1-101, *et seq.* provide additional information on liquor licensing and regulations. Statutes may be reviewed on-line through the Wyoming Legislative Service Office's website.

If you have any questions concerning what constitutes "operational" or renewal requirements, please contact the City Clerk's office at your convenience.

RE: Update on the status of the City of Cheyenne "parked" liquor license for Poor Richards

Dear Mr. Mayor, City Council Members and Members of the WY Liquor Division:

I am writing to request an extension to park Poor Richards liquor license for an additional period not to exceed one year as we begin the second phase of the project at 1808 O'Neil Ave. The first phase of our project consisted of extensive environmental testing as well as a very involved and many months long process to get the building cleaned out. This project has taken much longer than expected due to the condition of the 106 year old building as well as the COVID related delays and supply chain issues that have become common place for so many in the past year.

The liquor license will be utilized at 1808 O'Neil Ave in the same capacity as it was previously which was a restaurant, bar and event space. We anticipate this project to be completed and operational within 8-10 months.

We are excited to be a part of the ongoing rejuvenation of this area of downtown Cheyenne and thank you for your patience and understanding as we continue to move forward on this project.

Best Regards,

Michael Rauzi
