Please explain your interest in serving on this Board/Committee/Commission

I have a strong interest in giving back to the city I have always called home. I have ran and owned businesses here in Cheyenne for the past 18 years. I believe I can be a valuable asset in learning the "do's and don'ts" when it come to fire protection safety and protocol. The amount of other business owners that I currently know in Cheyenne would also be a valuable asset as I will have the opportunity to pass my knowledge onto the community.

Other City or community volunteer experience

Wyoming Brewers Fest, Cheyenne Depot Museum, CFD
