Dear Mayor and Members of the City Council,

Please accept this letter as our introduction and cover letter for our application for a brewery and bar and grill permit for the City of Cheyenne. It has been a pleasure working with you all during the rezoning, platting, building and liquor license portion of this project and we would like to thank you for your assistance in that endeavor. As most of you know, Darin and I are renovating a 90+ year old warehouse on the West Edge into a multi-use property consistent with the City's West Edge Plan. The warehouse, when completed, will have a brewery/bar and grill with a large outdoor patio and game space, an event/overflow space and an apartment. We are looking forward to incorporating our outdoor space with the Reed Avenue Corridor Project and contributing to the revitalization of the West Edge.

We look forward to working with the City on this application and permit process and we are happy to answer any questions or provide any additional information you may require.

Sincerely

Darin Westby
