RE: Econolite City of Cheyenne, WY 332 STCAB3803 Traffic Control Cabinet

Assembly Source letter August 31, 2022

To Whom It May Concern:

Econolite Group Inc is the sole source provider of the City of Cheyenne 332 UL/ISO/ IPC traffic controller cabinet. The Cheyenne city control assembly consists of a size 332 rackmount traffic cabinet. This cabinet is designed to work with the EOS and ASC/3 firmwre as well as the Centracs central system that conforms to the current city specifications. This assembly will accommodate all approved necessary plug ins necessary to control the intersection most efficiently and safely. This cabinet is compliant to work in conjunction as a match component with seamless operation due to providing same source components to include the traffic controller. Econolite is the direct manufacturer of the traffic control assembly and all its stated components and is sold as a direct transaction between Econolite Group Inc and end customers.

Sincerely,

Tracy L. Brookham
District Manager Econolite Control Products Inc
