

RESOLUTION NO. _____

ENTITLED: "A RESOLUTION EXPRESSING THE SUPPORT OF THE GOVERNING BODY TO CONDUCT A REVIEW OF DOWNTOWN PARKING ENFORCEMENT."

WHEREAS, two downtown parking discussions took place on August 15 and 16, 2022, with stakeholders, elected representatives and traffic enforcement representatives in attendance to review and analyze the necessity of parking in the downtown area;

WHEREAS, in the spring of 2016, the Cheyenne Metropolitan Planning Organization (MPO) engaged Kimley-Horn and Associates to develop a Strategic Parking Management Plan for downtown Cheyenne. Unique from a more traditional supply/demand assessment, the parking strategic plan is a higher-level planning and visioning document designed to guide the City and other stakeholders as they work to improve parking access for all who live in, visit and enjoy downtown Cheyenne;

WHEREAS, during the August 15 and 16, 2022 parking discussions, many assurances were made in regard to expanded use of the parking application known as ParkCheyenne, owned by the City of Cheyenne through the parent software company, Passport, Inc.

WHEREAS, the Governing Body requires additional information on this parking application. Using examples on how it could be implemented with stakeholders Point of Sale software, stakeholders invoicing capabilities, and the use of the most modern technology in regard to scans and coding, ie QR codes.

WHEREAS, the Governing Body shall be informed on how this application could apply to potential metering in downtown Cheyenne, using the peak time information provided in the Strategic Parking Management Plan for Downtown Cheyenne, including the capabilities of adjustable rates during peak times;

WHEREAS, the Governing Body would recommend a revenue assessment done of downtown Cheyenne blocks determined to have a zero percent (0%) to fifty-five percent (55%) parking occupancy. This would include citations issued and collected since the date the Cheyenne Police Department was placed in charge of parking enforcement for the City to June 30, 2022. The revenue assessment shall be provided by using the zero percent (0%) to fifty-five percent (55%) parking occupancy in 2016 Strategic Parking Management Plan for Downtown Cheyenne;

WHEREAS, the Governing Body recognizes that once the revenue assessment is complete, the data provided can assist the City Engineer or their designee, with proper guidance on areas of downtown Cheyenne that did not exhibit parking occupancy issues according to the 2016 Strategic Parking Management Plan for Downtown Cheyenne;

WHEREAS, the Governing Body requests an update on the marketing strategy to enhance program communications and improve customer outreach as mentioned in the 2016 Strategic Parking Management Plan for Downtown Cheyenne; and

WHEREAS, the Governing Body requests a work session be conducted within one-hundred twenty (120) days from the passage of this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING, that the Governing Body hereby requests the most accurate data to provide to downtown Cheyenne stakeholders to make informed decisions on the information provided in the August 15 and 16, 2022 parking discussions and the 2016 Strategic Parking Management Plan for Downtown Cheyenne; and

BE IT FURTHER RESOLVED, that this resolution shall be effective upon passage and execution by the mayor and city clerk.

PRESENTED, READ AND ADOPTED THIS _____ DAY OF _____, 2022.

Patrick Collins, Mayor
