GOAL THREE

Briefly state activities you plan to implement in your community to meet the goal of increasing Title III-B services to eligible participants; who live alone, who live below federal poverty level, and who are minority, by 1%.

Describe actions/strategies you will take to achieve goals:

NOTE: The light-yellow spaces are for your propose III-B Program activities per quarter.

1st Quarter (10/01-12/31) - What action steps will be completed during the first quarter to increase the number of unduplicated eligible participants including participants: who live alone, who live below federal poverty, and who are minority, receiving OAA Title III-B services?

The CTP will market services to older adults through multiple avenues, by using preexisting community outreach programs, CTP staff will attend scheduled senior engagements to draw exposure to our senior services and we will continue advertising in senior publications.

Each time a senior registers to use our on-demand service, who does not currently have an active AGNES on file, our operations assistant will send out an AGNES form.

2nd Quarter (01/01-03/31) - What action steps will be completed during the second quarter to increase the number of unduplicated clients, including clients who live alone, clients who live below federal poverty, and clients who are minority, receiving OAA Title III-B services?

We will utilize Wyoming Independent Living's travel trainers for seniors that need assistance navigating our transportation services. We will encourage our participating seniors to spread the word to their friends and families about our services.

3rd Quarter (04/01-06/30) - What action steps will be completed during the third quarter to increase the number of unduplicated eligible participants including participants: who live alone, who live below federal poverty, and who are minority, receiving OAA Title III-B services?

We will continue to utilize Wyoming Independent Living's travel trainers for seniors that need assistance navigating our transportation services, and encourage current riders to spread the word. We will plan to attend more senior gatherings to present our services.

4th Quarter (07/01-09/30) - What action steps will be completed during the fourth quarter to increase the number of unduplicated eligible participants including participants: who live alone, who live below federal poverty, and who are minority, receiving OAA Title III-B services?

We will continue to utilize Wyoming Independent Living's travel trainers for seniors that need assistance navigating our transportation services, and encourage current riders to spread the word. We will plan to attend more senior gatherings to present our services. We will continue advertising in senior media.

Any additional information applicant organization wishes to add.

Due to COVID-19 restrictions such as social distancing and reduced occupancy, along with some seniors having no interest in utilizing public transportation to avoid exposure to the pandemic, we saw a reduction in senior ridership from pre-COVID. CTP is fully committed to providing the best and safest transportation services to seniors in the Cheyenne area. We have been providing services for many years prior to COVID and each year we saw a growth in our senior ridership. Ridership seems to be slowly heading back to normal and our goal remains to keep seniors as independent as possible and help ensure a better quality of life.
