

MEMORANDUM

TO: The Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Robin Lockman, City Treasurer
DATE: September 1, 2022
SUBJECT: Re-Appropriation to be considered for approval

On September 12, 2022, the Governing Body will be referring a resolution to the Finance Committee to re-appropriate funds for the Fiscal Year (FY) 2023 City of Cheyenne Budget per W.S. § 16-4-112 and 16-4-113. Below is more detailed information regarding this re-appropriation request.

ENCUMBRANCES AND ROLLOVER ACCOUNTS - RESERVES

Each September my department prepares a large re-appropriation request that includes carryover balances and encumbrances from the previous fiscal year for various City funds including the 5th penny, 6th penny, and others.

When reviewing the current year's budget, you may have noticed that several city funds were not fully budgeted. For example, the approved FY 2023 budget for the 6th penny fund only included \$504,995 in payroll and other general operating expenses for the Botanic Gardens and Greenway Maintenance, but no project costs. This is because I must wait until late August after everything for the previous fiscal year has been posted before I can determine what funds are available to budget for the various 6th penny projects. In this re-appropriation I have included \$16,633,721 in carryover balances for the 6th penny fund. This also applies to other funds such as the One Percent Sales Tax (5th penny) and several grant funds.

Additionally, I am including in this re-appropriation request more detailed information on the purchase order (PO) encumbrances (see attached report). A total of \$119,990 in General Fund encumbrances and \$6,457,940 in encumbrances for other funds are included. Encumbrances are simply purchase orders that were created for goods and services ordered prior to June 30, 2022, but for many reasons were not received and paid for by the end of last fiscal year.

I have also included detail on two accounts in the General Fund that will be "rolled over". The total that was not expended last fiscal year for these two accounts is \$43,965. This includes Parks and Recreation Projects in the amount of \$2,961 and Belvoir Ranch Planning/Development in the amount of \$41,004.

GENERAL FUND – ADDITIONAL REVENUE AND RESERVES

In addition to the encumbrances and rollovers, there are three General Fund requests included for your consideration:

1. **Youth Alternatives Clinical Supervisor Payroll Expenses.** Jay Sullivan is requesting an increase in payroll expenses for the Youth Alternatives Clinical Supervisor position. The current Clinical Supervisor will be retiring in February of 2023 and this would allow for her vacation accrual payout as well as for hiring her replacement for three months to allow for cross training. The additional amount requested is \$29,531, which will be paid from reserves.
2. **City Engineer's Professional Services Increase for ADA Transition Plan.** Tom Cobb is requesting an increase in the City Engineer's professional services line item for an Americans with Disabilities Act (ADA) Transition Plan in the amount of \$70,000, which will be paid for from reserves. The intent of the plan is to separate from other existing City ADA Transition Plans and specifically address accessibility for persons with disabilities within the City's public rights-of-way.
3. **Miscellaneous Department – Transfer to the Civic Center.** Jason Sanchez is requesting \$314,611 from General Fund reserves for an additional transfer to pay for the hiring of a Box Office Manager position and cover the Civic Center cash deficit. Community Recreation and Events (CRE) reverted \$418,267 to General Fund reserves on June 30, 2022, as the department did not spend all of their budget. Additionally, CRE requested a higher General Fund subsidy during the FY 2023 budget process that was not funded. Please see attached memo from Mr. Sanchez for further information.

OTHER FUNDS - ADDITIONAL REVENUE/RESERVES

In addition to carrying over numerous existing grants, the City of Cheyenne has received the following new grants and donations. They are as follows, by fund:

Law Enforcement Grant Fund (024) – grants received

- \$7,000 – FY 2022 Enforcing Underage Drinking Laws (EUDL)

Federal Grants Fund (025) – grants received

- \$618,400 – FY 2022 Economic Development Administration (EDA) Grant – Cheyenne Railcar Renovation Project

- \$5,550 – FY 2022 Wyoming Arts Council Grant – Fridays on the Plaza Community Support
- \$500,000 – FY 2022 Environmental Protection Agency (EPA) Grant – West Edge Expansion Brownfield Assessment
- \$32,376 – FY 2022 Wyoming Office of Homeland Security Grant – Municipal Court Security Upgrades
- \$138,078 – FY 2022 Wyoming Office of Homeland Security Grant – Regional Emergency Response Team 7 (RERT 7) Training and Equipment
- \$110,000 – FY 2022 Wyoming Office of Homeland Security Grant – Fire Department Backup Generators
- \$150,000 – FY 2022 Wyoming Office of Homeland Security Grant – Dry Creek Union Pacific Railroad Crossing Design

Other requests are as follows:

- Recreation Programs Fund – \$50,000 to the Depot Plaza Special Events and Activities account to increase sponsorship and donation revenue that the City has received and increase the expenditure account budget by the same amount.

As always, if you have any questions, please give me a call at 637-6336 or email at rlockman@cheyennecity.org.

MEMORANDUM

TO: The Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Jason Sanchez, Community Recreation and Events Director
DATE: September 1, 2022
SUBJECT: Civic Center Request from General Fund Reserves

Beginning on January 1, 2022, our events division will have managed over 100 large-scale events within Community Recreation & Events by the end of the year. Almost half of these were hosted outside of the Civic Center and were either directly managed or facilitated by Civic Center staff. Some of these events include but are not limited to Fridays on the Plaza, Culture X, Cheyenne Hispanic Festival, Brewfest, Pancake Breakfast, Arts Fest, and many more. Our team is heavily relied upon for these events due to their specialized skill sets in event management, marketing and advertising, technical production, and safety.

In 2019 we had five full-time Civic Center employees facilitating event management, and today we are down to four. The roles that were lost to the reduction-in-force were critical to the overall operation and have been absorbed by the remaining four employees. These four employees have not only excelled in taking over these roles but, in doing so, have significantly improved the quality and experience of these events. Although this team is continuously reaching new heights, the demands of these successes require more full-time staff, and in addition, we need to retain the specialized staff that we have.

After payment of the audio equipment, the Civic Center's cash balance will be negative. However, the need for adding additional employees remains critical. Prior to Covid, we were able to identify where we were missing the mark in our programming and developed a strategic plan that would have addressed those areas of opportunity. As we come out of Covid, our team is working to reinstate that strategy. We are re-evaluating our approach to high-risk investments, pursuing opportunities that appeal to our target market, identifying ways to make the venue more accessible for public use, and cutting costs of production by investing in our own equipment. While our team is moving forward with this plan, it remains imperative to our global operations to add to and retain our events staff. We strongly believe in the success of our vision, the future of the Civic Center, and our goals for the community as a Department.

As a department, through diligent fiscal stewardship, we are reverting \$418,267 out of the approved FY22 General Fund operating budget of \$7,893,338. I am respectfully requesting your support to reappropriate \$314,611 of that balance to cover the expense of a Box Office Manager position and the Civic Center deficit.

RESOLUTION NO. _____

ENTITLED: "A RESOLUTION RE-APPROPRIATING THE FISCAL YEAR 2023 BUDGET OF THE CITY OF CHEYENNE
ACCORDING TO THE PROVISIONS OF W.S. §§ 16-4-112 & 16-4-113."

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING:
That the Municipal Budget of the City of Cheyenne for Fiscal Year 2023 be re-appropriated as follows:
