MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Seth Lloyd
Subject: UDC-22-00254-01 / 4605, 4606, 4607, and 4608 Moran Avenue Zone Change
Date: August 22, 2022

Background:

The item for consideration is a *Zoning Map Amendment (zone change)*. This is approved by Ordinance.

The proposed Governing Body review schedule is as follows:

- Introduction and Referral 8/22/2022
- Public Services Committee 9/7/2022
- Second reading 9/12/2022
- Public Services Committee 9/20/2022
- Third and final reading 9/26/2022

Planning Commission Recommendation:

The Planning Commission heard this item at their August 1, 2022 meeting and recommended the Governing Body approve this application.

The Planning Commission Staff report is attached and has not been changed.

Related Items:

ORDINANCE NO. _____

ENTITLED: “AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP OF THE CITY OF CHEYENNE CHANGING THE ZONING CLASSIFICATION FROM HR HIGH-DENSITY RESIDENTIAL TO CB COMMUNITY BUSINESS FOR LAND LOCATED NORTH OF AND ADJACENT TO THE INTERSECTION OF DELL RANGE BOULEVARD AND MORAN AVENUE.”

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING:

Section 1. That the owner(s) of the property described herein has (have) applied for a zoning map amendment (“zone change”) for said property in accordance with Section 2.2.1, Zoning Map Amendment, of the Cheyenne Unified Development Code (“UDC”).

Section 2. That on August 1, 2022, the City of Cheyenne Planning Commission conducted a public hearing, reviewed the proposed zone change that is the subject of this ordinance, and recommended approval of said zone change.

Section 3. That the Governing Body of the City of Cheyenne finds that the zone change that is the subject of this ordinance meets the criteria specified in Section 2.2.1.d of the UDC.

Section 4. That, in accordance with Section 2.2.1, Zoning Map Amendment, Section 5.1.2, Zoning Districts Established, and Section 5.1.3, Official Zoning Map, of the UDC, the aforementioned application is hereby approved and the zoning classification of the real property described as Lots 3 and 4, Block 17 and Lots 1 and 2, Block 16 and all of Moran Avenue adjacent thereto, Frontier Gardens 3rd Filing, Cheyenne, Wyoming, is hereby changed to CB Community Business.

Section 5. That the City Engineer is hereby authorized and directed to alter and amend the Official Zoning Map as described in Section 5.1.3 of the UDC to comply with the zone change as described in Section 4 above when this ordinance takes effect in accordance with Section 7 below.

Section 6. Sections, paragraphs, sentences, clauses and phrases of this ordinance are severable. If any section, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional, such unconstitutionality shall not affect any of the remaining sections, paragraphs, sentences, clauses, and phrases.

Section 7. That this ordinance shall be in full force and effect upon its approval and publication.

CITY OF CHEYENNE PLANNING COMMISSION
AUGUST 1, 2022
STAFF REPORT

FILE: UDC-22-00254-01: 4605, 4606, 4607, and 4608 Moran – Zoning Map Amendment (zone change)

REQUEST: A request to rezone approximately 1.3 acres of land from HR High-density Residential to CB Community Business

LOCATION: North of the intersection of Dell Range Boulevard and Moran Avenue

APPLICANT: SFP-E-LLC

AGENT: Blake Widmer, EIT and Michael White, PE (Cushing Terrell)

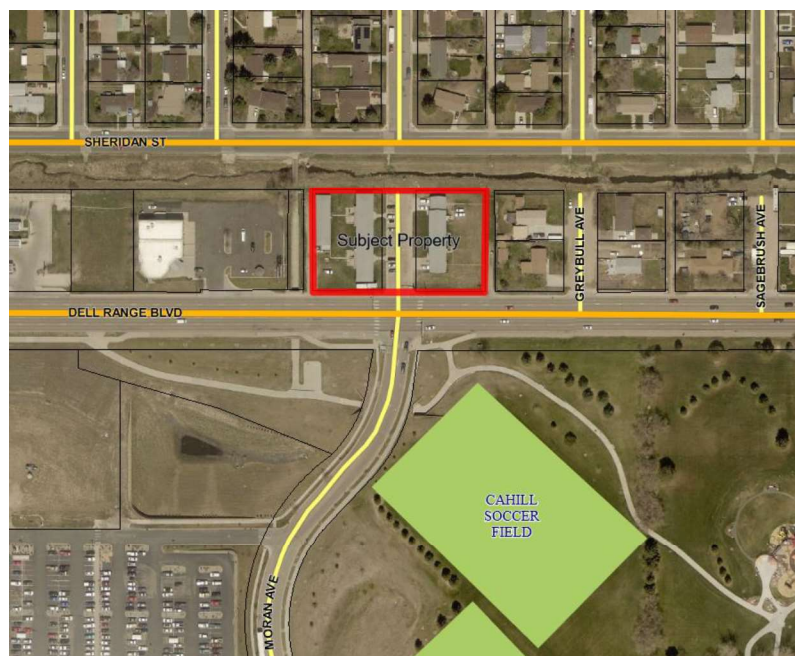

OWNER: VIG Moran LLC (attn: Darko Vukovic)

ZONING: HR High-density Residential

FUTURE LAND USE: Mixed-use Residential

PURPOSE: To allow the property to be used for commercial development

PREPARED BY: Seth Lloyd, Planner II - Development

RECOMMENDED MOTION:

Move to **approve** the rezoning of Lots 1 & 2, Block 16, and Lots 3 & 4 Block 17, Frontier Gardens, 3rd Filing to CB Community Business as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.1 Zoning Map Amendment
- UDC Article 5
- PlanCheyenne

BACKGROUND:

This zone change application proposes changing the zoning from HR High-density Residential to CB Community Business for 1.3 acres of land. The land is currently occupied by multifamily structures (12 units). The property is anticipated to be raised and be redeveloped for commercial purposes.

SURROUNDING LAND USE AND ZONING:

	Future Land Use Designation	Zoning District	Land Use
Subject Site	Mixed-use Residential	HR High-density Residential	Multi-family
North	Urban Residential	MR Medium-density Residential	Single-family residential
South	Open Space and Parks, Community Business	P Public, CB Community Business	Park, Retail, Vacant
East	Mixed-use Residential	HR	Single-family residential
West	Mixed-use Commercial	MUB, Mixed-use Business Emphasis	Commercial

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

1) The application is in accordance with the development policies and physical patterns identified in the Comprehensive Plan. (UDC 2.2.1.d.1)

PlanCheyenne encourages growth within the Urban Service Boundary and the maximization of existing infrastructure. This property is within the Urban Service Boundary, in an area with existing infrastructure. Plan Cheyenne also encourages infill development (although it is not the intent of the plan to change existing, stable neighborhoods).

The Future Land Use Designation for this property is Mixed-use Residential. Areas to the west and east are also designated with a mix-use designation, and to the southwest the land is

designated Community Business. Open Space and Parks and Urban Residential designations also exist in the area.

According to comprehensive plan the optimal City zone for the subject property's future land use designation is the MUR zone, however, a variety of commercial and residential zones could also be appropriate.

Based on the policies and future land use map, CB zoning is appropriate at this location.

The proposed zone change **complies** with review criterion 1.

2) The application is compatible with nearby property, specifically considering existing zoning, the Comprehensive Plan, and any other official plans and policies created under the guidance of that plan for these areas; (UDC 2.2.1.d.2)

Some surrounding property is zoned residential (to the east and north). To the west the property is zoned MUB, and to the south there is CB and P zoning. No adjacent zoning is CB, but the commercial development patterns and commercial-allowed uses make CB zoning compatible with surrounding zoning.

The proposed zone change for the subject property **complies** with review criterion 2.

3) The suitability of the subject property for development according to the standards and uses of the existing zoning district, compared to the suitability of the subject property for development according to the standards and uses of the proposed zoning district (UDC 2.2.1.d.3)

The property is currently zoned HR, which is intended for higher-density residential development with a mix of almost exclusively residential uses. The proposed CB zone is intended for auto-oriented commercial-centric development. The location along a major vehicular corridor separated by nearby residential neighborhoods by a creek, makes the auto-oriented commercial-centric development pattern appropriate at this location. The variety of allowed uses (including returning to multifamily use by conditional review) makes this site much more suited to the proposed zone district than to the existing district.

The proposed zone change **complies** with review criterion 3.

4) The ability of the subject property and surrounding vicinity to be developed according to the Subdivision Standards in Article 4 considering the proposed zoning (UDC 2.2.1.d.4)

The zone change is occurring in a pre-existing neighborhood. The block is larger than expected for commercial development, but the creek in the vicinity limits options to create meaningful street network connections. No additions to the street network are proposed, in fact, an associated platting proposal asks to vacate the street - as it has been platted for over 60 years and in that time there has never been the impetus to construct the connection between Dell Range and Sheridan along Moran over the creek at this location.

Access to Dell Range will be required to be at the signalized intersection, but specifics will be reviewed with the site plan.

Infrastructure (streets and utilities) exist in the area.

The proposed zone change for the subject property **complies** with review criterion 4.

5) The ability of the application to support the Intent and Applicability statements of the proposed zoning district and achieve the Design Objectives of any specific standards. (UDC 2.2.1.d.5)

The CB zone is intended for Retail, Employment, Service and Civic uses that serve a number of residential neighborhoods. CB zoning exists nearby to the southwest. Properties along Dell Range have largely developed with the type of development anticipated in the CB zone. Some of these were developed prior to the current regulations in the MUB zone (and are nonconforming in the MUB zone, and some have developed in the CB zone after a rezoning to CB. A few have pursued variances to develop with a CB style in the MUB zone. Despite the lack of current CB zoning in the area, the corridor on the whole is more conducive to CB zoning than to any of the other existing zoning districts.

The proposed zone change for the subject property **complies** with review criterion 5.

6) The ability of all potential future development to meet all applicable standards for development in the proposed zoning district, including other development options if any specific development proposed in association with the application is not executed after approval. (UDC 2.2.1.d.6)

The CB zone requires buffers to residential zones and setbacks from the streets. It appears the subject property is able to provide both. While there is a specific development considered with the proposed zone change, The CB zoning would allow a variety of use options should the current development proposal not be executed. This even includes potential redevelopment with multifamily as the CB does allow multifamily as a conditional use.

The proposed zone change **complies** with review criterion 6.

7) The review and recommendations of other reviewing bodies. (UDC 2.2.1.d.7)

No reviewing agencies provided recommendations regarding the proposed zone change.

The proposed zone change for the subject property **complies** with review criterion 7.

8) Whether the application will harm the public health, safety, or general welfare. (UDC 2.2.1.d.8)

City staff is satisfied that this proposed zone change would not adversely affect the public health, safety, or general welfare.

The proposed zone change for the subject property **complies** with review criterion 8.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- PlanCheyenne

Conformance with PlanCheyenne is covered by review criterion 1.

STAFF REVIEW:

Through the review process, review comments were received expressing the appropriateness of the CB zone at this location.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.1.(d). The CB zone is appropriate based on the future land use map, surrounding zoning, and surrounding development patterns.

ALTERNATIVES:

1. Recommend approval of the zoning amendment as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the zoning amendment subject to conditions or modifications.
3. Recommend denial of the zoning amendment based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the zoning amendment until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

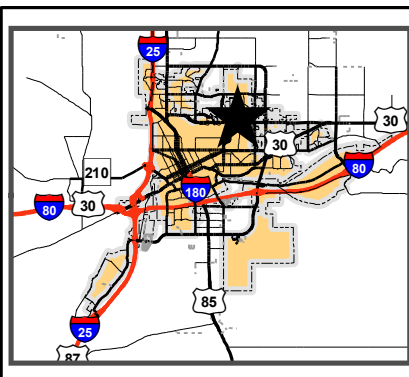

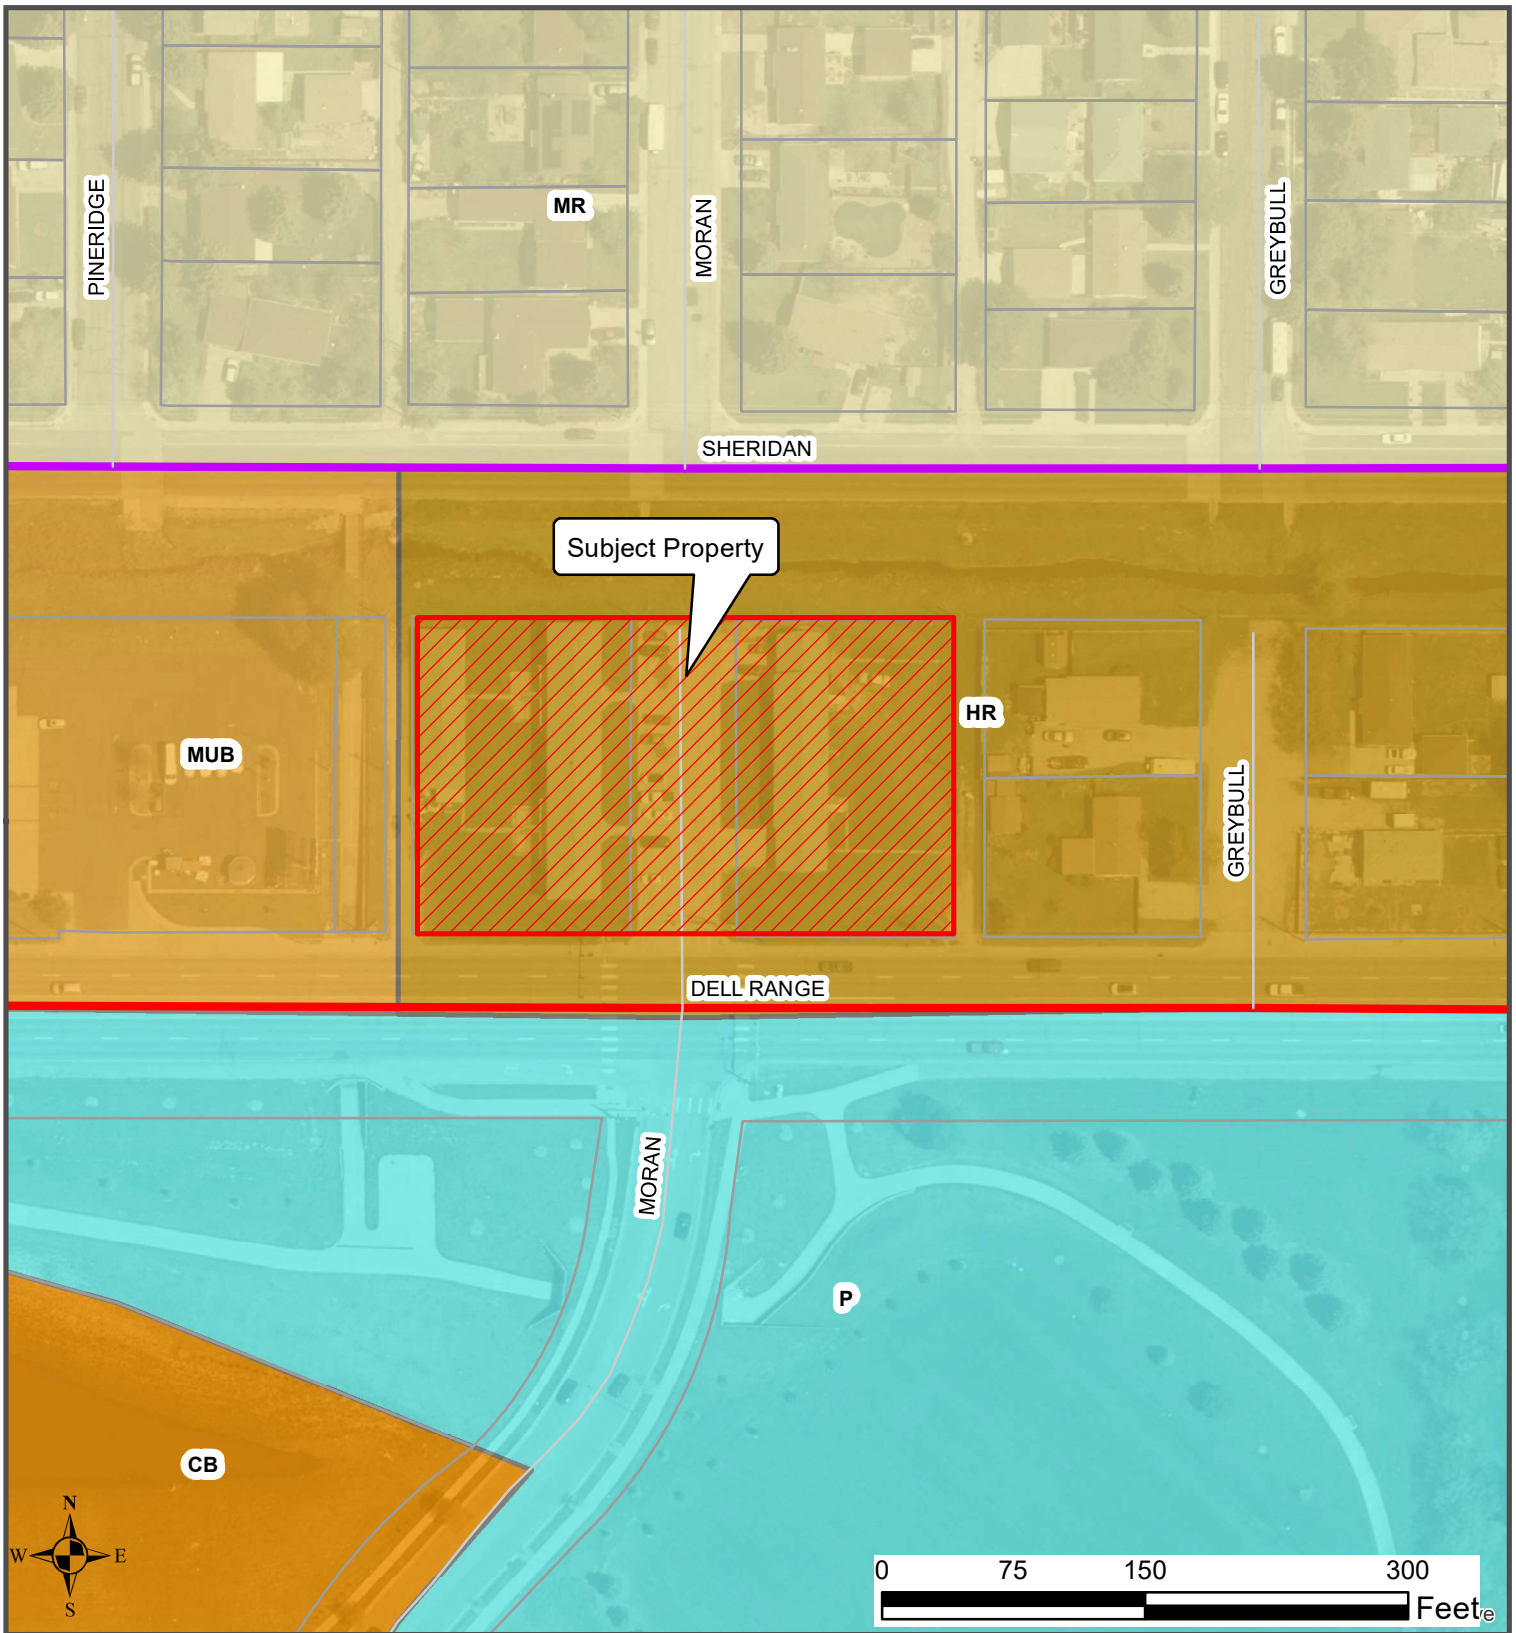

If the Commission acts contrary to staff's recommendation or modifies conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for approval or denial.

STAFF RECOMMENDATION:

Staff recommends approval of the rezoning of the property from HR to CB.

Application-Specific Questions

Written Statement	The existing properties at 4605, 4606, 4607, and 4608 Moran Avenue, Cheyenne WY are currently zoned as High Density Residential (HR). The proposed development for this site consists of a Les Schwab Tire and Service Center, which falls under the zoning category of automobile service. In order construct an automobile service center on this site, the zoning needs to change to Community Business (CB). Thus, a Zoning Map Amendment is being requested.

Review Criteria

The application is in accordance with the development policies and physical patterns identified in the Comprehensive Plan.

Acknowledgement of this review criteria

The application is compatible with nearby property, specifically considering existing zoning, the Comprehensive Plan, and any other official plans and policies created under the guidance of that plan for these areas.

Acknowledgement of this review criteria

The suitability of the subject property for development according to the standards and uses of the existing zoning district, compared to the suitability of the subject property for development according to the standards and uses of the proposed zoning district.

Acknowledgement of this review criteria

The ability of the subject property and surrounding vicinity to be developed according to the Subdivision Standards in Article 4 considering the proposed zoning.

Acknowledgement of this review criteria

The ability of the application to support the Intent and Applicability statements of the proposed zoning district, and achieve the Design Objectives of any specific standards.

Acknowledgement of this review criteria

The ability of all potential future development to meet all applicable standards for development in the proposed zoning district, including other development options in the event that any specific development proposed in association with the application is not executed after approval.

Acknowledgement of this review criteria

The review and recommendations of other reviewing bodies

Acknowledgement of this review criteria

Whether the application will harm the public health, safety, or general welfare.

Acknowledgement of this review criteria

MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Seth Lloyd
Subject: UDC-22-00254-01 / 4605, 4606, 4607, and 4608 Moran Avenue Zone Change
Date: September 20, 2022

Background:

The above-referenced zoning map amendment application includes a correlated proposal to demolish existing apartment buildings and create a commercial facility. The Planning Commission and the Governing Body have both expressed concern for the residents currently living in these apartment buildings.

While the applicant is not the current owner/landlord of the property, they have been in contact with the current landlord/owner and have provided documents regarding the treatment of the current tenants. These documents are attached.

Related Items:

- UDC-22-00254-01-01 / Frontier Gardens, 4th Filing Final Plat

Attachments:

1. Letter from current owner/landlord
2. Acknowledgements from the current renters

To whom it may concern,

This letter intends to provide an update on the current tenant situation regarding the proposed Les Schwab re-development of the apartment building located at 4605 - 4608 Moran Ave.

As of Sept 12th 2022, the current status of the tenants is:

- All tenants were informed of the redevelopment in June of 2022.
- All tenants, current and previous were promised a 60 day vacation notice.
- 5 units are currently vacant due to tenants voluntarily securing other housing and moving out on their own accord.
- 2 notices to vacate have been given to us (the landlord) by tenants voluntarily who have secured other housing.
- The remaining 5 units are occupied and are on a month-to-month basis.
- All tenants who have vacated thus far have been given back their full deposit at the time of move out.
- We plan to give the remaining tenants their full deposit back on the date of move out.

We acquired the building in November 2019. Since acquisition:

- We have never raised rent on any tenants and have continued to keep the rent below market in an effort to help tenants acquire enough savings.
- We repaired about a dozen or so issues of health and hazard inherited from the previous landlord. These issues include but are not limited to sliding doors which do not open, broken windows, leaks, mold, lack of fire extinguishers, lack of properly functioning thermostats, roach infestations, etc...
- We allowed flexible lease terms.
- We were very lenient with tenants about paying late, and never collected fees for doing so.

Prior to the buildings being demolished:

- Les Schwab has agreed to let the landlord sell, recycle or repurpose any utilities or appliances. The landlord will also allow tenants to take appliances such as a refrigerator and stove free of charge if it helps them with securing new housing.

In the current state, this building in our opinion does not provide a good opportunity for residential housing. Given the age of the building and systems, rents would need to drastically be increased to justify the level of investment needed in maintaining this building as a residential building. Knowing the potential of a better use, we were able to hold off on increasing rents up with the anticipation of re-development into a better use for this location.

Please let me know if I could be of any further assistance or if I could clarify any of the points above.

Thank you,

Darko Vukovic,
Managing Member VIG Moran LLC

Email: drvukovic86@gmail.com

Dear Mr. Vukovic,

I Douglas Freitas (printed name) understand the Landlord's intentions to redevelop your property. I also understand the timeline and procedures for vacating the premises:

- The Landlord will provide a 60 day notice to vacate. This letter **is not** a notice to vacate, rather it is just informative.
- I understand that a vacating notice is expected by the end of the year (2022).
- I understand Rent is still due, and all other lease terms apply while I am a Tenant.
- If I am able to secure other housing prior to the notice to vacate, a 30- day move out notice to the Landlord is not required. I will be charged rent on a pro rata basis for the month in which I move out (only charge for days I live in the unit).
- If all of my possessions are removed and the unit is broom clean, I will receive an immediate full refund of my security deposit.
- If it helps me to secure other housing, I am allowed to take the stove and refrigerator that's in my unit at no cost to me.

With my initials, I acknowledge the following:

DFW I am aware of the proposed redevelopment of the property.

DFW I have received this notice and have begun to look for other housing arrangements.

DFW I understand the terms of moving out with regard to receiving my deposit back.
