

MEMORANDUM

TO: City of Cheyenne Governing Body
FROM: Robin Lockman, City Treasurer
DATE: November 7, 2022
SUBJECT: Annual Write-Off Per Resolution 4970

On November 14, 2022, the Governing Body will be referring a resolution to the Finance Committee to write off \$24,279 in uncollectible accounts of the City and \$42,887 for the Board of Public Utilities sanitation billings. Per Resolution 4970, debts owed to the City that are at least four years old, the customer is deceased or their debt has been discharged in bankruptcy are considered “uncollectible”.

The type of debt under consideration for write off is as follows:

Category	Amount
BOPU Sanitation	\$ 42,887
Community Recreation & Events	5,882
Depot Plaza Vendor Fees	900
Nuisance	9,459
Police	3,645
Returned Checks	113
Solid Waste Fund	4,280
	<u>\$ 67,166</u>

Please note that approval of this resolution does not prevent further collection efforts on the accounts listed. The collection agency will keep working on collecting these debts until the statute of limitations ends, even if the accounts are removed from our financial records. However, it is a requirement under generally accepted accounting principles (GAAP) to write off a bad debt when the related customer invoice is considered to be uncollectible. Otherwise, the City will carry an inordinately high accounts receivable balance that overstates the amount of outstanding customer invoices that will eventually be converted into cash.

As always, if you have any questions on the policies and procedures in place, please give me a call at 637-6336 or email at rlockman@cheyennecity.org.

RESOLUTION NO. _____

ENTITLED: “A RESOLUTION AUTHORIZING THE CITY TREASURER TO DISCHARGE UNCOLLECTIBLE DEBTS PURSUANT TO WYO STAT. § 16-4-502.”

WHEREAS, the City Treasurer and Board of Public Utilities Administration Manager are responsible for collecting debts owed to the City of Cheyenne using a process that includes internal efforts, legal remedies and the use of collection agencies;

WHEREAS, once accounts reach a certain age without successful collection, generally accepted accounting principles (GAAP) require that accounts be written off the financial accounting records once management determines the receivable to be uncollectible after diligent and reasonable efforts were made to collect;

WHEREAS, per Resolution 4970, the Governing Body deems debts owed to the City to be uncollectible that are four or more years old, the debtor is deceased, or the debt has been discharged in bankruptcy proceedings;

WHEREAS, collection efforts such as liens filed by the City and accounts being sent to the City and Board of Public Utilities’ collection agencies have failed;

WHEREAS, Wyo. Stat. § 16-4-502 provides for discharge of uncollectible debts upon proper certification to the Governing Body;

WHEREAS, this certification includes the name of the debtor, a description of the goods or services for which the debt was incurred, the amount of the debt, the date when the debt became due and payable, and an explanation of what actions have been taken to collect the debt; and,

WHEREAS, the City Treasurer has prepared the required report of uncollectible debts, a copy of which is attached to and incorporated as part of this Resolution;

NOW, THEREFORE BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING that the City Treasurer is authorized to discharge the City of Cheyenne’s uncollectible debts in the amount of \$24,278.69 and the Board of Public Utilities sanitation debts in the amount of \$42,887.02.

THIS RESOLUTION shall be in full force and effect from and after its passage in accordance with the laws of the State of Wyoming.

PRESENTED, READ AND ADOPTED this ____ day of _____, 2022.
